

LICENSED ACCESS: ENQUIRY DETAILS

The Code of Conduct of the Bar of England and Wales sets out the conditions under which a barrister may act on a Licensed Access basis. It will help us to determine whether a member of Chambers can assist you on a Licensed Access basis if you tell us a little about yourself and your enquiry. Once you have completed the form, please use the Submit button on page 3 to send by email or print out and fax it on 020 7400 6464. We will contact you within one working day of receiving your completed form.

Please note that in the event that you become a Licensed Access client of a barrister practising at Three Raymond Buildings, the rules relating to money laundering may require us to verify your identity and the source of funds used to meet your legal expenses. If we are able to assist with your enquiry, we will provide further details of what is required.
